Long Island Green Homes is a non-profit collaborative project administered by:

Every homeowner on Long Island can participate in **Long Island Green Homes** regardless of your income level. Depending on your family income and size, additional assistance may be available. Several different program options are available.

New York State also provides low interest financing for approved energy efficiency measures. Home improvements can be made with little to no out-of-pocket expenses.

Join thousands of homeowners across the state who have lowered their energy bills and enjoy year-round comfort in their homes.

NYSERDA
Supported

Long Island Green Homes is a partnership of Long Island Towns, community-based organizations and Molloy College that are contracted through the New York State Energy Research and Development Authority's (NYSERDA)
